Hi [First Name],

I hope you're doing well. I noticed on LinkedIn that [Company] is expanding its [team/division/project] in [City or Area of Expertise], and as someone with [specific skill or experience, e.g. "3+ years in full-stack JavaScript development"], I wanted to introduce myself.

Over the past year, I helped [Similar Company or Metric-driven Result], for example:

- Streamlined onboarding flow for 15,000+ users at BetaSoft

I'd love to learn whether you're open to a brief 10-minute conversation about how I might help [Company] achieve similar results in [relevant area]. Are you available for a quick call next week—say, Tuesday or Thursday morning?

Thank you for your time, and I look forward to the possibility of working together.

Best regards,
